ONLINE BIDDING PROCESS

1. Once you have been approved by The High Street Auction Co, you will be notified that you can begin to bid.
2. Once bidding opens, all registered bidders are free to place bids on their chosen lots. Bidding takes place on the specific lot which includes the description and photo.
3. Once you place a bid, you must confirm the bid before it is registered as an online bid. The online platform is fully transparent. All bids are recorded in real time. Please note your privacy will not be jeopardized as bidders will be presented by a number.
4. We have a maximum bid facility that can be set to automatically bid for you until a maximum amount. Your Maximum Bid can't be viewed publicly, so only you will know how high you're willing to go.
5. Once the bidding is closed, we will contact you to either refund your deposit if you were an under bidder or assist you further if you were the highest bidder.

ONLINE BIDDING - WHAT TO KNOW

- At **High Street Assets Cape Town** our online auctions have a **SOFT CLOSE** to prevent individuals from entering a bid at the very last second before a LOT closes, with the intent to prevent others from bidding higher. The first 25 Lots will begin to close at the scheduled end time of the online auction, 2 minutes later, the following 25 lots will close and 2 minutes later the following 25, and this pattern will continue through all the lots.
- Any bids on any lot within the last minute will extend the closing time by 5 minutes.
- The lot will not close until bidding is static for 5 minutes.
- The lot is officially closed when the "**SOLD**" notice appears on the lot number. The lot end times may vary from auction to auction.

MAXBIDS

- You tell us your absolute maximum price by entering the figure in the '**maxbid**' box on the lot page and click '**place bid**'. Be sure to read the terms and click the '**Confirm**' button when it appears to ensure your bid is placed.
- Our technology will place your bids at the next available increment to keep you in the lead, but only up to your max price and never any further. If another bidder has a maxbid higher than yours, this would also cause the bid to jump up to your maxbid.
- If the bidding passes your maximum amount, then you may miss out on winning the item.
- However, we'll notify you via the App (or you can request that an email be sent to you, in case you are not logged into the App) so you can increase your maxbid if you wish.

STAR YOUR FAVOURITE ITEMS

- If you are interested in a Lot, you can click on the **STAR** button and only these lots will appear in your **My Items List**. This makes it easy for you to track only the lots you are bidding on.

CONNECTION

- If you are battling to connect, and you are not in a WiFi accessible area, turn OFF your WiFi and use your data to connect. Always exit the App and Re-Open after a connection issue.
